**From the DDGM:**

Brethren, it is with the deepest sense of gratitude and humility that I accept the honor to serve Grey District as the Grand Masters representative. To be entrusted with this role by my brethren is both a privilege and a responsibility I do not take lightly. I hope to lead with the same integrity, compassion and vision, always keeping the values of our fraternity at the heart of my service. I am also grateful to the brethren of Harris Lodge # 216 for their support.

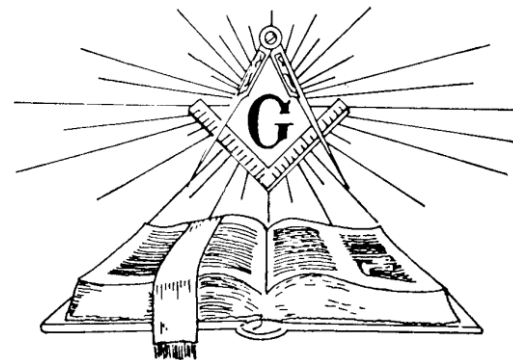

This year will be a journey we share together - one of continued growth, mutual respect, and the pursuit of excellence in all we do. May our collective efforts strengthen our bonds, honor our traditions, and leave a legacy that will inspire those who follow in our footsteps by focusing on our Grand Masters edict of Ritual - Education - Mentoring. Fraternally
